

2 DynaMod Server Socket

2.1 Version 2016.1

0021	This server socket needed to be updated to version 2016.1 build 0021 to support DynaMod 2016.1 build 0045 program
0020	This server socket needed to be updated to version 2016.1 build 0020 to support DynaMod 2016.1 build 0042 program
0019	This server socket needed to be updated to version 2016.1 build 0019 to support DynaMod 2016.1 build 0040 program
0018	This server socket needed to be updated to version 2016.1 build 0018 to support DynaMod 2016.1 build 0038 program
0017	This server socket needed to be updated to version 2016.1 build 0017 to support DynaMod 2016.1 build 0036 program
0015	This server socket needed to be updated to version 2016.1 build 0015 to support DynaMod 2016.1 build 0032 program
0013	This server socket needed to be updated to version 2016.1 build 0013 to support DynaMod 2016.1 build 0024 program
0009	This server socket needed to be updated to version 2016.1 build 0009 to support DynaMod 2016.1 build 0017 program (Singapore GST Features)
0008	This server socket needed to be updated to version 2016.1 build 0008 to support DynaMod 2016.1 build 0015 program
0007	This server socket needed to be updated to version 2016.1 build 0007 to support DynaMod 2016.1 build 0014 program
0006	This server socket needed to be updated to version 2016.1 build 0006 to support DynaMod 2016.1 build 0013 program
0005	This server socket needed to be updated to version 2016.1 build 0005 to support DynaMod 2016.1 build 0012 program
0004	This server socket needed to be updated to version 2016.1 build 0004 to support DynaMod 2016.1 build 0008 program
0003	This server socket needed to be updated to version 2016.1 build 0003 to support DynaMod 2016.1 build 0007 program
0002	This server socket needed to be updated to version 2016.1 build 0002 to support DynaMod 2016.1 build 0005 program
0001	This server socket needed to be updated to version 2016.1 build 0001 to support DynaMod 2016.1 build 0004 program
0000	This server socket needed to be updated to version 2016.1 build 0000 to support DynaMod 2016.1 build 0000 program
